Because of the confusion, a new application was made for next year.

By-Laws: Brought to the Clubs attention that we need to submit our changes to the bylaws made over the years need to be submitted to the IRS to ensure we maintain our non-profit status.

Put in for 600 fish, who should double in size in 2 years. There were some questions about food for the fish (minnows, eating each other, etc.). The pond will be Catch and Release.

Elections of Motions: A motion was made to approve the budgets submitted as read. The motion passed by a majority vote.

Unfinished Business:

Sanford Range Gate: Will be letting the Sanford Police Chief know about our plans for a separate gate. Will also look into getting building permits.
