NEW BUSINESS:

Sorry this is late getting out, but I was not at the last meeting or e-board and was out of town most of the month so I am only providing updates to the scheduled events.

If you have any comments or questions about the **newsletter**, would like to see things added or receive the newsletter monthly via e-mail please send your comments / questions to the new association e-mail address located at the top of the front page and it will be forwarded on to the appropriate association officer for action/response.

Committee Chairpersons can be reached via the listed numbers or e-mails. As you can see below there are vacant Committee Chairperson seats and if you would like to volunteer, please contact an association officer. If you would like to help out with one of the committees that is already chaired, contact the chairperson listed.

Don't hesitate, they would be glad to hear from you.

Committee News

General Badge Requirements

All members must wear/display their plastic ID badge while visiting and/or utilizing either range.

*** If you see anyone using badge #390 or #498,
please report this to any Association Officer as these are invalid badge #s ***

General Range Information

As a reminder, this is a cooperative club. It takes everyone's help to take care of the ranges. All ranges are now stocked with supplies/tools to fix and replace target backboards in every house. If you see issues with the target backboard(s), please fix it/them.

Taking trash out of the range houses is also a member responsibility. There are dumpsters located at each range. It only takes a few minutes to clean up and if you see the trash can getting full, please empty it.

There is no dedicated staff to take care of these two tasks. Only you can make your club better.

If there are problems with buildings, locks or fences please let the range chairman or a club officer know.

General Lock and Combination Information

It has been noticed that some members have been opening the combination locks at the ranges for entry and only changing one of the tumblers to lock the gate back up. This is not a safe practice as anyone can come up and look at the lock and over time could easily put together what our combination is. We have already had a case of vandalism at the Sanford range this year. Please help out and roll all of the lock tumblers to a random number when your done. Thanks...

BY-LAWS:

The new proposed BY-LAWS are posted on the website at (http://www.ssfga.com/DOCS/ssfgpa-bylaws_2017-04-11.pdf).

The current BY-LAWS are posted on the website at (http://www.ssfga.com/DOCS/ssfgpa-bylaws_2001-11-01.pdf).

**Recommend you take a look at and read and be prepared to vote on these new BYLAWS at the August meeting.
You must be in attendance to vote.**

Committee News Continued

Sanford Range:

We are still having issues with someone taking things apart at this range and stealing them. If you have any information please contact one of the club officers or committee chairpersons.

Remember this is your club. Your dues may pay for what we have but without you or someone else to volunteer and clean up after you it is not going to be done. Be proud of what we have and take care of it.

We are a volunteer club, with out you and your help there is no club.

BERWICK RANGE

If you shot at the Berwick range this winter you owe a big thank you to Doug and Phil Radio! They spent many hours snow blowing so you could get in.

The winter has not been kind to our range in Berwick. The snow brought down the stove pipe on the 25 yard range several times. The building on the 200 yard range is going to need extensive repairs.

IT IS ALL OF OUR JOB!

If you see a target board that needs to be replaced, replace it. It's only a couple of screws. If the trash can needs to be emptied, then take it over to the dumpster and empty it.

We have one of the finest shooting facilities in New England. It will only stay that way if everyone pitches in and helps.

Remember to support the events at our range:

- 3-gun
- Archery
- Shotgun
- Cowboy
- Plates

I will be looking forward to all of your help this season.

Thanks, Jim Shearer Berwick Range chairman.

Fish Stocking Report:

Stocking in the county for 2017 is on **page 8 and 9**.

If you would like to see the information for other counties go to:
(<http://www.maine.gov/ifw/fishing/reports/stocking/stocking.htm>).

Safety:

Safety courses for 2017 have been listed on the Maine State website at (<http://www.maine.gov/ifw/education/safety/index.htm>). The hunting and archery for York county are listed on **page 7**. See the Maine State website for other counties.

DO NOT post any targets on the 4x4 posts or the 2x4s that hold the backboards.

Place your targets on the backboards and away from the 4x4 posts and 2x4s. We spend a lot of money on lumber every year so that you can have backboards to tack your targets onto. There is no need for the damage that is being done to these frame works by bullets.

DO NOT shoot at rocks. Your bullets will not stay in the range if you hit the rock. Remember, your bullets must impact into the berm after going through your target. Please, think safety at all times while at the ranges. One mistake could close the range, or worse cost someone their life.

Safety first, fun second.

PLEASE SHOOT ONLY AT PROPER TARGETS WITH A BERM BEHIND YOUR TARGETS.

Tired of seeing this notice from the old newsletter, then help out and remind those around you that have forgotten.
