Motion was presented to pay the gentleman who would build six picnic tables \$70.00 (for the lumber) per table and give him 1 full year membership to build the tables, was passed by a majority vote.

Unfinished Business: Will be changing the locks and deleting all the alarm codes. Committee members will have their own personal alarm code.

The plate racks will be ready by Sunday. Bruce White will start up a Plate Shoot, but if no one takes it over, it will end.

ID Tags: Cost for one tag is .88¢, \$880.00 plus tax for 1000. The ID Tag includes a plastic card and a lanyard. Every member gets their own number, and that number stays with that person, even if they do not renew their dues. They can't give the number to someone else. If we need to print off 500-600 more ID Tags per year, we will.

The purpose of the ID Tags, is to help members report misconduct of other members to the committee board. If any member sees another member doing something they aren't supposed to be doing, all they have to do is take down the number and report it to the Range Safety Officer a committee member. Also, the club will enforce wearing and having the ID Tags visible while at the range. If a member does not have their ID Tag on them, they will be asked to leave.

Audit: Is still being processed by Tax World in Alfred, ME. Should receive results real soon (possibly a week or two). The owner would like to come to an e-board of club meeting. Also, they are redoing the taxes for last year because they were not done properly, and due date has been extended until August.

New Business:

Berwick Range Restrooms; The Restrooms at the Berwick Range does not have the water on. In order to turn it on, members need to flip the switch located in the closet in the ladies' bathroom, and then remember to flip it back off when done. Will post instructions on how to turn it on. Possibly look into rewiring so that when you turn on the light, the pump turns on, and when the light is turned off, the pump turns off, or a motion light.

Gun Owners of Maine; Looking into Joining as a corporate member to the Gun Owners of Maine (not donating). Membership has three levels: Silver (\$150), Gold (\$500), or Platinum (\$1000). Will be able to advertise the Shoots, and Gun Shows on their web page to the entire state. Motion was presented to join the Gun Owners of Maine under a Gold Membership, and was passed by a majority vote. 1

Picnic Tables; Found someone to build 6 picnic tables for \$70.00 per table. He is willing to build them for the cost of the lumber (\$70.00 per table) and also for 1 full year membership to the club. Motion was presented to the club to pay for the lumber of each table and to give the builder a 1 full year membership to the club as payment, was passed by a majority vote.
