

January 11th, 2017 MEETING

****Original Meeting (Jan. 4th), was postponed due to weather conditions.****

Meeting called to order at 7:06PM

Roll call of officers: All present. Treasurer, Gerald Drew, arrived later after the meeting begun.

Mail: National Rifleman & SAMS newsletter.

Meeting Minutes: last month's meeting minutes are on the website. A motion was made to accept them as written on the Website. Motion passed by a majority vote.

Bills: Passed to the Committee to be paid.

Scholarship: Sanford High School gave away our Scholarship without submitting the names of the students who applied to us for the Club to decide upon. The treasurer has not sent a check yet, and the scholarship has not been given out. We are still waiting for more proof that the individual the school selected meets our scholarship's qualifications. If not, we will withhold the Scholarship and possibly look into sending a child or two to camp during the summer.

Reading of Annual Reports: The following Committee Reports were read aloud and submitted by;

1st Vice President: Doug Readio

2nd Vice President: Ahblahnah Twohearts

Acton Fair: No new business.

Gun Show: We had booked the Armory for March 17th & 18th for the Gun Show, but unfortunately, the Armory is still undergoing renovations. It is highly unlikely that the renovations will be done in time for the March show, and if they are, we will have no heat and no plumbing. So, the question we now face is do we postpone the Show until April or do we forgo the Spring Gun Show and just hold off until the Fall? Will find out more details about the Armory by next monthly meeting.

Concessions: No new business.

Hunter Safety: No new business.

Trap Shoot: No new business.

Membership: Total Membership is now at 513 members.

Publicity: No new business.

Building: No new business.

Archery: Tom Lafleur announced that he will be stepping down as chairperson for the Archery Committee at the end of the year. So far, there is no one yet to take his place. Also, we do plan on hosting the 2019 3D Shoot Championship.

Cowboys: All done for this year. It was a “good” year, but not a “great” year.

3-Gun Shoot: The dates are on the Website. We will be doing things a little different this year; Members will be able to pay up front for the year, so they can reserve a spot in the tournament.

USPA Shoot: No new business.

Range Safety: We are looking for a new Range Safety Head, since we have yet to see the member who was appointed last year. Please see Bruce White if you are interested.

Hunter Safety: No dates yet, possibly by February. The state is however, looking for more instructors and /or helpers for Archery Hunter Safety courses.

Conservation & Stocking: **Was unable to make out what was said during this section. The Recorder could not pick up any audible words. What is available, is from my handwritten notes*.*

Will putting down the last two tons of Lime on the Snow. Have already ordered fish (4”-6” that in 2 years will be 2ft long). Will bring in budget next month.

Legislation: No new business.

We had one write-in for president.

2nd Vice President – Ahblahnah Twohearts

Congratulations!!

Elections of Motions: 1) a motion was made to approve the budgets submitted as read. The motion passed by a majority vote.

2) A motion was made to accept the only quote we received for the work to put in the new gate at the Sanford Range. The motion passed by a majority vote.

Unfinished Business:

Sanford Range Gate: We were only able to get one quote for the new gate at the Sanford Range. The quote is only for all the work to put in the gate, but not for the gate itself. We will have to get another quote for that. We still need to talk to the Town of Sanford to let them know we are doing this, and make sure we don’t need any permits. All work will wait until the springtime. A motion was made to accept the quote we received for the work to put in the gate; motion passed.

New Business: No new business.

Website: No new business.
