Motion to accept Bills as read, motion passed by majority vote, passed to the committee.

Motion was made to pass along the information and contact info to the Sanford PD and the Ogunquit PD to the Warden's Supervisor. Motion passed by majority vote.

Motion of New Members; passed by majority vote.

Motion to adjourn; Motion passed.

**Unfinished Business:** Game Wardens; Arthur had a chat with the Police Chief about possibly allowing the York County Game Wardens access to the Range or about giving them Honorary Memberships; As a Club, we don't have the ability to grant such memberships, and would have to amend the bylaws to do so, and there is the question of liability for the Club if something should happen. Secondly, the Sanford PD doesn't mind them using their range, but they need to contact them for permission to use the range. They don't want them to go in and use the range any time they want.

Motion was made to pass along the information and contact info to the Sanford PD and the Ogunquit PD to the Warden's Supervisor. Motion passed by majority vote.

Daylights Savings is coming up, don't forget to turn your clocks forward an hour on Sunday.

**New Business:** There are several Digest Shooters and Digest Books, free for the taking on the table at the entrance of the Club House at tonight's meeting.

There was a proposal to purchase supplies for the Sanford Range followed by a motion to grant. Because the Sanford Range has a budget for these types of purchases, it doesn't need to be put to a vote.

There is also talk of replacing the Sanford Range Windows. We won't be able to purchase ourselves, need to purchase through a vendor. Good material plastic is going to cost us. Will try to contact the company we initially got the materials from to see if we can buy defects and other business.

**For the good of the organization:** 50/50 won by Arthur Lamontagne. Club raffle won and lost by Eric Mundell.
